

California Department of Education

Children, Youth and Family Support Programs

American Indian Education Centers –program is intended to offer educational services that promote American Indian student academic success by providing community-base programs to address the unique academic and cultural needs of American Indian students in California public schools. www.cde.ca.gov/sp/ai

Before and After School Programs- programmatic and fiscal resources to build, implement, and sustain quality before and after school programs, including school-age care and other out-of-school opportunities for children and youth. www.cde.ca.gov/ls/ba

Cal Serve- instructional strategy whereby students learn academic content standards by participating in organized service that addresses community needs and fosters civic responsibility. www.cde.ca.gov/ci/cr/sl

California Healthy Kids Survey (CHKS) -confidential student and school staff report of attitudes, health risk behaviors, and protective factors. This survey is used in planning and evaluating student support programs, primarily alcohol, tobacco, other drug, and violence prevention programs. www.cde.ca.gov/ls/yd/re/chks.asp

California School-Age Families Education (Cal-SAFE) - provides services to improve academic achievement and parenting skills of expectant and parenting students and child development services. www.cde.ca.gov/ls/cg/pp

Child Development Programs- state and federally funded programs that use centers and family child care home networks operated or administered by either public or private agencies and local educational agencies. www.cde.ca.gov/sp/cd/op/

Comprehensive Student Support Programs- Programs and services that provide student support, train staff, and improve school climate to prevent students from dropping out of school and to recover those who have left and help them complete their education. www.cde.ca.gov/ls/ai/dp

Coordinated School Health- coordinated school health addresses eight different aspects of health and education: health education; physical education; health services; nutrition services; counseling; psychological and social services; healthy school environment; health promotion for staff; and parent and community involvement. www.cde.ca.gov/ls/he/cs

Even Start Family Literacy Programs – provides low-income families with integrated literacy services for parents and their young children (birth through age 7).

www.cde.ca.gov/sp/cd/op/evenstart.asp

Family Involvement/Parent Engagement Programs – provides support for partnerships between families, teachers, and schools to help children succeed academically and develop as socially, physically, and emotionally healthy individuals. www.cde.ca.gov/ls/pf/pf

Foster Youth Services- provide educational support services to foster children in group homes, foster homes, foster family agency foster homes, court specified placements and juvenile detention facilities. www.cde.ca.gov/ls/pf/fy

Health Education and Health Services- programs and resources to improve student health, school environment, health education and prevention. www.cde.ca.gov/ls/he/

Healthy Start -state-funded school-community collaborative grants for integrating services to meet desired results and to support academic success for children, youths and families. www.cde.ca.gov/ls/pf/hs/

HIV/AIDS/STD Prevention - provides a pupil with the knowledge and skills necessary to protect his or her sexual and reproductive health from unintended pregnancy and STDs; encourages a pupil to develop healthy attitudes concerning adolescent growth and development, body image, gender roles, sexual orientation, dating, marriage, and family. www.cde.ca.gov/ls/he/se/

Homeless Education/ McKinney-Vento Program- federal program that protects the educational rights of homeless children and youths. www.cde.ca.gov/sp/hs/

Mental Health Services Act (MHSA) –addresses a broad continuum of prevention, early intervention and service needs and the necessary infrastructure, technology and training elements that will effectively support this system. www.cde.ca.gov/ls/cg/mh/

Migrant Education- a federally funded program designed to support high quality and comprehensive educational programs for migrant children to help reduce the educational disruption and other problems that result from repeated moves. www.cde.ca.gov/sp/me/mt/

Safe Schools and Violence Prevention Programs - provides training, resources and technical assistance to establish a school/community environment which is physically and emotionally safe, well disciplined, and conducive to learning. www.cde.ca.gov/ls/ss

School Based Health Centers -school health centers are usually located directly on school campus and provide primary care like any health clinic. Services may include: primary care, mental health, health education, and/or dental care, all at no or low cost. www.schoolhealthcenters.org/

School Counseling - provides resources, funds, strategies, and training in school counseling and psychological and social services to support schools in planning, implementing, and monitoring comprehensive student support programs. www.cde.ca.gov/ls/cg/

Student Assistance Programs- school-based approach to providing focused services to students seeking support or needing interventions for academics, behavior, and attendance often due to deeper concerns relating to substance abuse, mental health, or social issues. www.cde.ca.gov/ls/he/at/sap.asp

Student Attendance Review Boards (SARBs) - composed of school and community members who meet regularly to diagnose and resolve persistent student attendance or behavior problems. www.cde.ca.gov/ls/ai/sb

Title I Neglected or Delinquent (Title I N or D)- a federal categorical program to provide supplementary educational services to improve academic achievement (specifically in mathematics, reading, and language arts) for children and youth in local and state facilities and in institutions for neglected and delinquent children. www.cde.ca.gov/fq/fo/profile.asp?id=1086

Tobacco Use Prevention Education (TUPE) - provides funding through an application process for tobacco-specific student instruction, reinforcement activities, special events, intervention, and cessation programs for students. www.cde.ca.gov/ls/he/at/tupe.asp

Youth Development - activities and strategies that involve youths in decision making, use youths as resources to implement programs, and build youth assets and strengths that result in improved academic performance and lower-risk behaviors. www.cde.ca.gov/ls/yd
